John V. Hanley, Reg. No. 38,171

CERTIFICATE UNDER 37 CFR 3.73(b)

EndoVascular Technologies, Inc., a Delaware corporation, certifies that they are the assignee of the entire right, title and interest in the patent application identified above by virtue of a chain of title from the inventor of the patent application identified above, to the current assignee as shown below:

1. From: Andrei V. Karev, Sergei A. Pulnev and Sergei V. Schukin
To: EndoVascular Technologies, Inc.
The document is filed concurrently herewith for recordation with the USPTO and is attached hereto as Exhibit A.

The undersigned has reviewed the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the assignee identified above. It is to be noted that the present application is a continuation of USSN 08/860,426 and that the subject Assignment operates to assign to EndoVascular Technologies, Inc. any such continuation application. The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of the assignee for which that signatory acts.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made,

are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing therefrom.
